OBJECTIVE

Motivated Java Full Stack Developer skilled in building scalable web applications, REST APIs, and database-driven solutions. Passionate about problem-solving, continuous learning, and developing efficient and user-friendly software applications. Seeking an opportunity to apply technical skills and grow in a professional software development environment.

EDUCATION

Bachelor of Technology in Data Science Balaji Institute of Technology and Science, Warangal CGPA: 9.08/10	2022 – 2026
Intermediate (MPC) Gowtham Junior College, Hanamkonda Percentage: 91%	2020 – 2022
SSC (10th Class) Liberty High School, Mulugu Percentage: 100%	2019 – 2020

SKILLS

Languages	Java, Python, SQL
Frontend	HTML5, CSS3, JavaScript, React
Backend	JDBC, Spring Framework, Spring Boot, REST APIs
Databases	MySQL, MongoDB
Tools	Git, GitHub
Core Concepts	Object-Oriented Programming, Data Structures, Full Stack Development

PROJECTS

Recruitment and Placement Management System

- Developed a full-stack web application using Java, Spring Boot, React, and MySQL to automate campus recruitment and placement processes with a responsive and user-friendly UI design.
- Implemented student registration, job posting management, application tracking, and admin dashboard features with secure database integration, Git version control, and project collaboration through GitHub.

Online Banking System

- Created a secure banking application using Java, Spring Boot, React, and MySQL to manage customer accounts and banking operations with a responsive user-friendly interface.
- Integrated user authentication, balance inquiry, fund transfer, transaction history, and account management features with secure database integration, Git version control, and GitHub collaboration.

Coconut Trading Application

- Built a full-stack B2B Coconut Trading Application using Java, Spring Boot, React, and MySQL for product listings, customer inquiries, and smooth business operations with a responsive and user-friendly web interface.
- Designed backend APIs for product management and secure database integration to ensure efficient data handling, consistency, and application performance using Git version control and project hosting on GitHub.

CERTIFICATIONS

- Java Full Stack – Wipro Talent Next - [Certificate](#)
- Cybersecurity - Eduskills - [Certificate](#)

ACHIEVEMENTS

- Awarded Merit Certificate (2023-2024) for achieving CGPA 9.0+ in BTech (Data Science).
- Shortlisted to Round 2 of Spark Camp Hackathon -AI Days 2025 for delivering a real-world AI solution.
